Bible Alive Theater School of Ministry
Membership Application

(Read before signing in agreement.)

Bible Alive Theater School of Ministry (BATSM) invites anyone who supports the goals of this ministry, to be a part of the audition process. The Board of Directors and Officers of Bible Alive Theater and its parent not-for-profit corporation Green Ridge Ministries are the sole authority in making decisions regarding casting and staffing of any production, and interpretation of Scripture. It is vital that members share the primary value of BATSM, which is upholding and sharing the truth of the Bible with our community. With this mission in mind, we take into consideration the character, lifestyle and personal values of members seeking an active role in any of our productions. We are not perfect by any means, nor do we expect our members to be perfect. We do require that members are not participating in a habitual, unrepentant lifestyle of wrongdoing based upon Bible Scripture as interpreted by the leadership of BATSM. (1Cor.5) We are here to help members with any ongoing struggles in their lives and wish to serve as a supportive team in leading all of our members to live lives that are pleasing to God according the written authority of the Bible. We are also committed to the quality of each production that we bring to the stage. We strive to put the most qualified person in each role that we consider. Skills exhibited at auditions in addition to other factors are considered. We provide training in all skill related areas and try to help all our members increase their ability to achieve BATSM goals. Please understand that every casting decision is made with much prayer and consideration. Thank you for being a part of BATSM.
